

Thank you for downloading this printable pack!

FOR PERSONAL USE ONLY

YOU MAY:

- Save the files on your computer and print off copies, as needed, for your family.
- Link to my site to share the resource with others.
- Demonstrate your use of the resource with your family, as long as proper credit is given and a link back to my main site [A Diligent Heart](#).

YOU MAY NOT:

- Upload any of my download resources to your own site or any other site.
- Alter or sell any of my files.
- Use any of my resources to make a profit in any way.
- Link directly to the PDF file when sharing.

All downloads are copyright protected, and are not to be copied, shared, or distributed in any form.

To Use:

Print on regular paper and have child trace numbers. Repeat the number as at least three times – once when introducing the number, and at least twice while they are tracing it. This will help with number recognition.

For durability, print on cardstock and laminate. Use dry-erase markers and wipe clean after each use.
